

Responsibility-driven Design

Montag, 18. Oktober 2021 14:19

Task 1:

Main Domain Concepts:

Milestone 2:

- Wall/Feed for Posts
- Posts
- User, Admin, Guest (Hierarchy)
- Server

Milestone 3:

- Orders
- Products

CRC Cards:

Wall/Feed:

Responsibilities	Collaborators
Display Posts	Post, Guest, Database
Filter Posts	Post, Guest, Database

Posts:

Responsibilities	Collaborators
CRUD	Database, User, Admin

User:

Responsibilities	Collaborators
Provide Authentication Token where necessary	

Database:

Responsibilities	Collaborators
CRUD operations on Data	Users, Posts

Task 2:
UI-mockups:
